PUBLIC UTILITIES COMMISSION

Docket No. 2001-732

December 14, 2001

CENTRAL MAINE POWER COMPANY  
Request for Approval of a Special Rate  
Contract with Gates Formed Fibre Corp.

ORDER APPROVING  
CONTRACT

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

## **SUMMARY OF DECISION**

By this Order, the Commission approves Central Maine Power Company's (CMP's) proposed customer service agreement (CSA) with Gates Formed Fibre Corp. (Gates).

## **DISCUSSION AND DECISION**

On October 22, 2001, CMP filed with this Commission a proposed CSA with Gates. This contract does not comply with all conditions of Attachment 6 of the ARP 2000.<sup>1</sup> Pursuant to Attachment 6, contracts with terms no more than one year beyond the term of the ARP, that are not anti-competitive or unduly discriminatory and that provide revenues in excess of the Company's marginal cost floors plus an adder, go into effect automatically. The prices in this contract, however, while above the marginal cost floors are not greater than the marginal cost floors plus an adder. Therefore, in order to become effective, this contract requires Commission review and approval.

We have reviewed the contract and while the revenue loss (relative to retail rates) associated with this discount contract is not small, it is not large enough to present significant risk to CMP's other customers. Therefore, we will allow the CSA to go into effect but make no determination regarding its reasonableness or how the revenues associated with it should be treated for ratemaking purposes. As with its other contracts, the reasonableness of the contract is being considered in the Stranded Cost proceeding (Docket No. 2001-232).

Accordingly, we
